ATAMI TREASURE HUNT · GAME MASTER PACK

For Ariff only.

Answer key, setup and score sheet for running the hunt on WhatsApp if the app is down. **Don't share this with the groups.**

CONFIDENTIAL · CONTAINS ANSWERS

BEFORE THE DAY (WHILE THE APP STILL WORKS)

- ☐ Fill in your WhatsApp number on page 1 of the players' manual, then print it or share the PDF with all four leaders.
- ☐ Create four WhatsApp groups: **"Find the boss – Group A/B/C/D"**, each with that group's members, **Tim, Ellice and you**.
- ☐ Save every group's reference photos to your phone, by group: **bingo tiles** (numbered), **Copy the pose** WHERE + POSE (+ its area), **Atami quiz** landmark WHERE photo. They are in Admin → Hunt editor.
- ☐ Export the **Know your colleagues** questions and answers for each group (they live in the database, so you can't get them once the server is down). Print or save them.
- ☐ Check the **Look around you** questions in the editor match the manual; reprint if they were edited.
- ☐ Tell Tim and Ellice: in offline mode they answer yes/no in each group's chat, post **" 🚶 We're moving"** in all four chats when they move, and WhatsApp you each pitch rating (group + 1–10).

SWITCHING TO OFFLINE MODE

1. Post in the trip group: **"Treasure hunt is now OFFLINE. Leaders, open the offline manual."**
2. Send each leader their group's reference photos (bingo card, pose, landmark).
3. Send **START** (or, mid-hunt, tell everyone how many minutes are left). Note the time: _____
4. Write down the stamps each group already had in the app, if you can still see them.

WHILE IT RUNS

- Reply ✅ **Stamp N** as soon as you accept a game. Log it on the score sheet with the WhatsApp time.
- **Bingo:** stamp only when every tile has a correct selfie. 1 point per tile.
- **Atami quiz:** call the leader, read 20 questions from the bank (skip ones they've already had), 10 seconds each. A time-out restarts from question 1 with new questions. Pass = 10 right. Points = 2 × right in the passing round.
- **Buy it, try it:** stamp needs the video **and** the bosses' rating. Points = 2 × rating.
- **Look around you:** first message only. Mark at the finish.
- **Know your colleagues:** call the leader, ask all questions, no pass mark. Points = 2 × right.
- **Find the boss:** 20 for the photo with both bosses. 2 questions per group per spot.
- Several groups ready for a call? Take them in the order their "Ready" messages arrived. Carmen or Kevin can run a quiz call with this pack.
