Use this only when Ariff says the app is down. Everything goes through WhatsApp.

THE BASICS

1. **90 minutes.** Starts when Ariff sends **START**, ends at **TIME'S UP**.
2. **Send everything to Ariff** in a private WhatsApp chat: _____. Begin with your group and game, e.g. *"Group A – Game 2"*.
3. **A game counts when Ariff replies ✅.** Play the 7 games in any order. First group to finish all 7 gets **+15**.
4. **Stay together.** Emergency: **119** (ambulance) or **110** (police), then tell Ariff.

THE 7 GAMES

1 Photo bingo

10 + 1 per photo

Ariff sends your bingo photos. Go to each spot and send a team selfie there. Finish every spot.

2 Copy the pose

10 · +5 best pose

Ariff sends a place and a pose. Go there, copy the pose as a team, send one photo.

3 Atami quiz

10 + 2 per right answer

Find the landmark in Ariff's photo and send a team selfie. Then Ariff calls your leader: 20 questions, 10 seconds each. Get 10 right to pass, or try again with new questions.

4 Buy it, try it

10 + 2 × score

Buy anything. Sell it to Tim and Ellice and video your pitch. Send the video to Ariff. The bosses score it 1 to 10.

5 Look around you

10 + 2 per right answer

Answer the 5 questions on page 2 on the walk from Area 3 to Area 4. Send all answers in one message, once.

6 Know your colleagues

10 + 2 per right answer

Ariff calls your leader and asks 25 questions about people in the other groups.

7 Find the boss

20 · +5 funniest

In your "Find the boss" WhatsApp group, ask Tim and Ellice yes/no questions (2 each time they move). Find them and send a funny team photo with them.
