ATAMI TREASURE HUNT · OFFLINE MANUAL · DAY 4

If the app is down, play from this.

Same 7 games, same rules, same points as the app. Photos, videos, answers and boss questions go by **WhatsApp** instead.

When to use this manual: only when the Game Master tells you the hunt has switched to **offline mode** (the app or server is down, or the app keeps crashing). Until then, keep playing in the app.

GAME MASTER

Ariff runs the hunt and keeps every score.

WhatsApp: _____

Everything you send for a game goes to Ariff in a **private WhatsApp chat**, not the trip group, so other groups can't see it. Facilitators on the ground: Carmen and Kevin.

YOUR GROUP

GROUP	LEADER	MEMBERS
A	Jay	Helmi, Ruby, Aidan, Asma', Jay
B	Raf	Aina, Ashley, Hairul, Raf, Shahrul
C	Huai Yu	Aiman, Huai Yu, Ragina, Eleora, Yu Han
D	Jord	Nicholas, Amir, Jord, Liyana, Chiew

THE CLOCK

- **90 minutes.** It starts when Ariff sends **"START"** on WhatsApp and stops when he sends **"TIME'S UP"**. Anything sent after that doesn't count.
- You can finish early: send **"[Group X] FINISHED"** to Ariff.
- If you switched to offline mid-hunt, the time already used still counts. Stamps you already collected in the app still count too; Ariff has them.

HOW TO SEND THINGS

Start every message with your **group and game number**, so Ariff can file it fast:

```
[Group A] Game 2 – Copy the pose   (then attach the photo)
```

- Ariff replies ✅ **Stamp N** when a game is accepted. **No** ✅ **means not collected yet**, so tick your stamp card (last page) only after the ✅.
- The **leader** sends, except photo bingo and the pitch video, which **anyone** in the group can send.
- Ariff goes by the **WhatsApp time** on each message.

ORDER & AREA

- Play the games in any order. Skipping is allowed, but a game you never play scores nothing.
- Stay inside the marked areas on the map. No route to follow.
- Everyone goes to every spot **together**. Nobody goes off alone.

SAFETY

- Count heads before you move on. Watch for cars and bikes on narrow streets.
- Atami is hilly: walk, don't run, on slopes and stairs. Drink water.
- **Emergency: 119** (ambulance, fire) or **110** (police), then tell Ariff.
- **No signal at all?** Don't wander looking for it. Go back to the **start point** together; the committee will meet you there.

HOW IT WORKS

The 7 games and what they score

#	GAME	WHAT YOU SEND ARIFF ON WHATSAPP	POINTS

7	**Find the boss**	Yes/no questions in your boss chat, then a funny photo with the bosses	20 selfie · +5 funniest photo

JUDGED AT THE FINISH

The committee picks one winner for each: **best pose photo** (game 2) and **funniest group photo with the bosses** (game 7). **+5** each.

FIRST TO FINISH

The group whose **last** ✅ **stamp** from Ariff comes first, by WhatsApp time, gets **+15**. You need all 7.

STAMP 1 OF 7 · ALL AREAS

1 Photo bingo

Find every spot on your card and take a team selfie there.

HOW TO PLAY

1. Ariff sends your group its **bingo card**: one photo per tile, numbered. Each tile is a photo of something around the hunt area.
2. Find the spot in a tile's photo. The **whole team** goes there together.
3. Take a **selfie of the whole team** at that spot.
4. **Anyone** in the group sends it to Ariff, with the tile number.
5. Do the same for every tile. When **all tiles** are sent, the leader sends **"Collect bingo"**.

SEND IT LIKE THIS

```
[Group B] Game 1 – Tile 4   (attach the selfie)
[Group B] Game 1 – Collect bingo
```

> **Who:** anyone in the group can send a tile, from their own phone. Only the leader sends "Collect bingo".

SCORING

10 + 1 per photo

- **10** for the stamp.
- **1** for every correct photo.
- The stamp needs **every tile** on your card. A part-filled card scores nothing, so finish it.

RULES

- The spot in your selfie must match the tile.
- Everyone in the group must be in the selfie.
- You can leave the card part-filled, play other games and come back to it.
- Sent the wrong photo? Send the right one with the same tile number; Ariff keeps the latest.

STAMP 2 OF 7

2 Copy the pose

Go to the place in the first photo, then copy the pose in the second.

HOW TO PLAY

1. Ariff sends your leader two photos: **WHERE** (the place) and **POSE** (the pose to copy). If there's a Google Maps link for the place, he sends that too.
2. Go to the place in the **WHERE** photo, together.
3. Copy the pose in the **POSE** photo, **the whole team**.
4. Take **one** group photo and the leader sends it to Ariff.

SEND IT LIKE THIS

```
[Group C] Game 2 – Copy the pose   (attach the photo)
```

> **Who:** only the group leader takes and sends the pose photo.

SCORING

10 • +5 best pose

- **10** for the stamp.
- **+5** if the committee judges yours the **best pose photo** of all groups (picked at the finish).

RULES

- Everyone in the frame. Ask a passer-by to hold the phone if you have to.
- It must be taken at the place in the WHERE photo.
- One photo per group. If you send a retake, Ariff uses the latest.

STAMP 3 OF 7

3 Atami quiz

Find the landmark, take a selfie, then answer the quiz: How well do you know Atami?

PART A · THE SELFIE

1. Ariff sends your leader the **WHERE** photo of a landmark. Work out where it is and go there.
2. Take a **team selfie** with everyone in it and the landmark behind you. The leader sends it to Ariff.
3. When Ariff replies **"Quiz unlocked"**, go on to Part B.

```
[Group D] Game 3 – Selfie   (attach the selfie)
```

PART B · THE QUIZ (WHATSAPP CALL)

1. The leader messages **"[Group D] Game 3 – Ready for the quiz"**. Ariff **calls the leader on WhatsApp**. Put it on speaker.
2. Ariff reads **15 questions**, one at a time, with the answer choices.
3. You have **10 seconds** per question. The leader says the team's answer. Ariff tells you right or wrong.
4. **Out of time on a question?** The round is over: start again from question 1 with new questions.
5. Get **at least 10 of 15** right to pass. Fall short (or can't reach 10 any more) and you get **15 new questions** to try again.
6. Pass, and Ariff replies ✅ **Stamp 3**.

> **Who:** only the group leader sends the selfie and answers the questions. Decide together first.

SCORING

10 + 2 per right answer

- **10** for the stamp.
- **2** for every right answer in your **passing** round.
- Pass mark: **10 of 15**. So a pass is worth at least 30.

RULES

- Answer as a team.
- **No searching, no asking anyone outside the team, no AI.**
- Call dropped? Message Ariff; he calls back and carries on from the same question.
- If Ariff is on another group's call, wait for his call back. He goes in the order your "Ready" messages arrived.

STAMP 4 OF 7

4 Buy it, try it

Buy anything you like, then sell it to the bosses.

HOW TO PLAY

1. Buy anything you like. **Any amount.**
2. Take what you bought to **Tim and Ellice** when you find them (see game 7), and **convince them to buy it from you**.
3. **Anyone** in the group records the pitch as a **video** (up to 2 minutes) and sends it to Ariff.
4. The boss who heard your pitch rates how convincing it was, **1 to 10**, and sends the rating to Ariff on WhatsApp.
5. When Ariff has **both the video and the rating**, he replies ✅ **Stamp 4** with your rating.

SEND IT LIKE THIS

```
[Group A] Game 4 – Pitch video   (attach the video)
```

> **Who:** anyone in the group can record and send the video. The rating comes from the bosses, not from you.

SCORING

10 + 2 × rating

- **10** for the stamp.
- **2** for every mark of the bosses' 1–10 rating.
- Up to **30**.

RULES

- The stamp needs **the video and the rating**. No video, no stamp.
- Video too big for WhatsApp? Record a shorter one, or send it as a **document**.
- You can pitch while playing game 7, since you're with the bosses anyway.

STAMP 5 OF 7 · AREA 3 TO AREA 4

5 Look around you

Notice everything on the walk: the answers are along the way, not on the internet.

HOW TO PLAY

1. Play it **on the walk from Area 3 to Area 4**. Every answer is somewhere along that stretch: shop signs, things in windows, what's on the street and above it.
2. Split the questions between you **before** you set off. Keep your eyes up: once you reach Area 4 you can't walk back to check.
3. Work out the answers together and write them below.
4. The leader sends **all answers in one message**. **You only send once**, so check them first.

SEND IT LIKE THIS

```
[Group B] Game 5 – Look around you
1. …
2. …
3. …
4. …
5. …
```

> **Who:** only the group leader sends the answers. Work them out together.

SCORING

10 + 2 per right answer

- **10** for the stamp.
- **2** for every right answer. The committee marks them.
- Up to **20**.

RULES

- Phones down: none of this is on the internet.
- One answer per question.
- Only your first answer message counts.

THE QUESTIONS

1. Something that is red. Name the object.

.....

2. Name a shop or cafe sign you passed on the way.

.....

3. How many pedestrian crossings did you cross between Area 3 and Area 4?

.....

4. Something white and floating.

.....

5. The last shop you passed before reaching Area 4. Name it.

.....

STAMP 6 OF 7

6 Do you know your colleagues?

Questions about the people in the other groups, all mixed up.

HOW TO PLAY

1. The leader messages **"[Group C] Game 6 – Ready"**. Ariff **calls the leader on WhatsApp**. Put it on speaker so the whole group hears.
2. Ariff reads each question with its answer choices. The questions are about **people in the other groups**, all mixed up.
3. Decide together. The leader says the answer. Ariff tells you right or wrong; if it's wrong, he tells you the right one.
4. **Answer all 25 questions.** After the last one, Ariff replies ✅ **Stamp 6** with your score.

> **Who:** only the group leader answers. Everyone else listens on speaker and helps decide.

SCORING

10 + 2 per right answer

- **10** for the stamp.
- **2** for every right answer.
- **There's no minimum score.** Unlike the Atami quiz you can't fail this one: the stamp is yours after the last question.

RULES

- No asking the people the questions are about.
- No messaging other groups for answers.
- Call dropped? Message Ariff; he carries on from the same question.

STAMP 7 OF 7

7 Find the boss

Tim and Ellice are hiding in the hunt area. Ask yes/no questions, then find them.

HOW TO PLAY

1. Your group has its own **"Find the boss – Group X"** WhatsApp group with **Tim, Ellice and Ariff**. Other groups can't see it.
2. The **leader** asks the bosses questions there. They **only answer Yes or No**, truthfully.
3. Ask **one question at a time**: wait for the answer before the next.
4. Your group gets only **2 questions**. When the bosses move to a new spot, they post **" 🚶 We're moving"** and you get **2 more**.
5. Use the answers to work out where they are, and go find them.
6. Take **one funny-pose photo of the whole team with Tim and Ellice**. The leader sends it to Ariff.

SEND IT LIKE THIS

```
In "Find the boss – Group D":  Are you near the
water?
To Ariff:  [Group D] Game 7 – Boss photo   (attach
the photo)
```

> **Who:** only the group leader asks the bosses and sends the photo. Everyone in the group sees the answers.

SCORING

20 · +5 funniest

- **20** for the selfie with Tim and Ellice (this game has no separate 10-point stamp).
- **+5** if the committee judges yours the **funniest group photo** (picked at the finish).

RULES

- **Yes/no questions only.** "Where are you?" gets no answer, and still uses one of your 2.
- No hints from the bosses, in the chat or in person.
- Your whole team must be in the photo, with both bosses.
- While you're with them, do your **Buy it, try it** pitch (game 4).
